PROTESTED by Panaca Water and Irrigation Company, May 17, 1915.

PROTESTED by The Prince Consolidated Mining and Smelting Co., June 17, 1915.

### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the stream system, and the water is to be used by applicant as designated in the application, during the non-irrigation season commencing October 1st, of each year and ending April 1st, of the following year, and that during such period no water shall be diverted by virtue of this permit which is needed to satisfy prior existing rights. The applicant must also install a standard headgate and weir at or near the point of diversion to facilitate the measurement and control of water. The permit is further subject to regulation by the State at all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed

Five (5.0) cubic feet per second.

Actual construction work shall begin on or before April 7, 1916.

Proof of commencement of work shall be filed before May 7, 1916.

Work must be prosecuted with reasonable diligence and be completed on or before August 7, 1916.

Application of water to beneficial use shall be made on or before November 7, 1922. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 7, 1922.

Proof of labor filed SEP 4 1915 WITNESS MY HAND AND SEAL this 7th day of completion of work filed SEP 18 1915

Cultural Map Filed Oct 2 1917 of January, 1916.

Proof of beneficial use filed March 4 1917
